

# PIZZOS TO SPAIN

January - February 2020

Dear Praying Brethren,

We do apologize for the tardiness of this letter, but we feel that you will forgive us. As Anna's due date was on March 1<sup>st</sup>, it seemed better to wait for a few more days and send out our letter when we had "the big news". Well, we are happy to announce that **Justus Anthony Pizzo** was born on Tuesday, March 3<sup>rd</sup>, at 7:30 AM. For those interested, he weighed 8 lbs. and was 19.25 inches long. Delivery ended up having to be via c-section so, recovery for Anna will be longer than originally expected. Thankfully, everything went well and, both mother and baby are in good health. We owe the Lord all the glory for a smooth pregnancy and delivery and, we believe that the Lord's hand was in it all due, in large part, to your faithful prayers. Thank you!

The beginning of the year has been a busy time for us, and we have been greatly helped by new churches promising to financially yoke up with us in our efforts to get to Spain. Currently, **our support level is now at 72%**. Many churches and individuals have also been generous with their love offerings and, we want to thank those of you that have sacrificed for our benefit. The extra funds have been very helpful in our saving for the move to Barcelona.

Due to my wife's pregnancy, I went to the meetings we had scheduled for these past two months by myself. To those of you that I met without my family, please know that had they been able to meet you, they would have gladly done so. However, traveling to the other side of the country a wife that was, at the time, nearly 8 months along was not a wise decision and, we greatly appreciated everyone's understanding. The meetings I had were mainly in California with one being held in Arizona and a mission's conference in Texas.

While in California, I had the opportunity to labor with some churches in their local ministries. This included some street preaching, officially enabling me to claim that I have preached coast to coast on the streets of America! This may sound somewhat foolish, but I did enjoy the chance to labor alongside the brethren there. Although California has a reputation, especially amongst Christians, as a land of liberal and perverse laws, seeing the quality of the Bible-believing churches there was a great encouragement to me. We live "**in the midst of a crooked and perverse nation**" (not just the state of California). Yet God still wants us to "**shine as lights in the world**" and, He still blesses those who are faithful to His Book. Thankfully, there are still men around this country willing to stand up, lift up their voices like trumpets, and lead people to the One that can save them *despite* their culture.

Thank you for your prayers and support and, please continue to keep our family in your prayers.

Sincerely in His Service,

Justin, Anna, Catalina, & Justus Pizzo
